Applications for a place on the ballot were accepted by District staff through August 17, 2026, at 5:00 p.m. Candidates could also file an application as a write-in candidate until August 21, 2026.

1.5 True and correct final official certified election returns of the elections were made by designated election officials from El Paso County and filed in accordance with applicable law and were delivered to and received by the District on November 10, 2026. These returns have been reviewed and examined by the

Board, and it hereby **ACCEPTS** the tabulations of each such return from the county.

Section 3. ELECTION REGISTRY

The tabulated forms of the true and correct final official certified election returns of the elections received from El Paso County, as well as this Resolution and

[1] In several documents associated with this election, Position No. 3 was mistakenly identified as "Position No. 2." This Resolution and Order serves to correct any such errors. Moreover, any such errors did not alter or change the fact that the position occupied by Jorge Carrasco, Jr., was set for an election, that persons were able to apply for a place on the ballot to run against Mr. Carrasco (as one person did), and that voters were given a choice on the ballot between Mr. Carrasco and his opponent as intended and required. Thus, the rights to apply for a place on the ballot and the right to vote as intended and required with respect to this position were not compromised or infringed upon.
